

**Publications of Prof. Reichertz – the Selected Publications Bibliography
with 111 manuscripts from 1965 to 1987***

Edited by Reinhold Haux, Peter L. Reichertz Institute for Medical Informatics (PLRI), TU Braunschweig and Hannover Medical School, Germany, April, 2019. Appendix 23 to “On Analyzing the Scientific Publications of Peter Reichertz: Reflections in the Light of Medical Informatics Knowledge Today”.

The 111 publications from the Selected Publications Bibliography (see appendix 23) were listed in Gustav Wagner’s and Donald Lindberg’s **Selected Bibliography** published in 1987 (see appendix 11, SB in uppercase letters for original contributions, sb in lowercase letters for books, numbers by R.H.), in **PubMed/Medline** (PM, query from February 27, 2019, see appendix 12), and/or in **Web of Science** (WS, query from March 1, 2019, see appendix 13), for PM and WS with respective reference numbers of the queries.
